

THE DIVINE EXCHANGE

ISAIAH 61 v 1-3

The background is a gradient of blue, with decorative white circuit-like lines in the corners. The lines consist of straight segments connected by small circles, resembling a network or data flow diagram.

The Spirit of the Sovereign Lord is
on me, because the Lord has
anointed me to proclaim good news
to the poor.

He has sent me to bind up the
broken-hearted,
to proclaim freedom for the captives
and release from darkness for the
prisoners,

to proclaim the year of the Lord's
favour
and the day of vengeance of our
God,
to comfort all who mourn,
and provide for those who grieve in
Zion—
to bestow on them a crown of beauty
instead of ashes,
the oil of joy
instead of mourning,
and a garment of praise
instead of a spirit of despair.

The slide features a blue gradient background with decorative white circuit-like lines in the corners. These lines consist of straight segments connected by right-angle turns, ending in small circles, resembling a stylized network or data flow diagram.

They will be called oaks of
righteousness,
a planting of the Lord
for the display of his splendour.
They will rebuild the ancient ruins
and restore the places long
devastated;
they will renew the ruined cities
that have been devastated for
generations.
