- **Welcome to our Golden Jubilee Celebration!** We have both planned and prayed a lot for this special day. Today we have those who attend regularly but also those who perhaps have not been here for many, many years. Thank you so much for responding to our 'Invitation'.
- We feel privileged to have a **former Pastor, Rev Harry Stevenson**, as our guest speaker. Harry will have an opportunity later to share a few memories from yesteryear, along with a few photographs which might jog your memory about years gone by, hopefully, reminding you of good events and occasions in order to give thanks to God for them together.
- Our **Golden Jubilee Booklet** is a work in progress; we hope to complete it by the end of the year. We hope this special edition for today, recounting our short, but important, history will help you appreciate the work of God in the lives of individuals from so many backgrounds.
- We are providing a **hot lunch** today for all who attend as our way of saying "Thank you" for joining us for this celebration.
- We would also love to take a **Jubilee photo** of everyone together, weather permitting, on the lawn at the front of Church immediately after the service. We'll do this as the final preparations for lunch are made.
- We will probably have a **full church** today, so *please* fill up each row and leave room for others, who may arrive a few minutes late, to take a seat. The **car park** at the back of the Wendover pub is available for use.
