

- ▶ Welcome to our morning worship service. We hope that many who have been ill are getting over their bouts of colds and flus.
- ▶ The **refurbishment** of our kitchen should be completed this week, with just a little work to do on our new 'cleaning cupboard'. We are grateful to the Lord for his provisions and to you for your participation in the gospel in this practical way.
- ▶ This morning's service will include the infant **Dedication** of Mia Stanfield. This is a very special time for all the family and we are delighted that Mariana, Simona's mum, is here to be part of this. Mariana will be able to share photographs of this occasion with family and friends in Bucharest when she travels home later this week.
- ▶ Our congratulations to Connie who celebrated her 94th **birthday** last week and may the Lord answer our continued prayers for good health for her and others!
