Drawing people closer to God:
Loving, Growing, Serving

- Welcome to our morning service. It's great to welcome Bob & Eveline's family to our church; Susan, Justin & Kirstin. We also extend our welcome to other visitors this morning too.
- There is still another week of activities at *the Keswick Convention* in the Lake District. A few people from church are there this coming week also. Some people have been following the events online and greatly enjoying them at <https://keswickministries.org/2019-convention/>
- Our coffee shop on Fridays is now *closed through August*.
- Do you know anyone who needs an office desk? We have one at church that we no longer need.
