Drawing people closer to God:
Loving, Growing, Serving

- ▶ **A** warm welcome to everyone this morning! We have been praying for everyone attending our church these days and have asked for God's blessing upon you all.
- ▶ **Challenges** come to us in many ways these days, not least the recent global covid19 on the daily news. Until further notice our Coffee Shop and Wednesday evening group will be closed. We are asking people who have recent cold or flu symptoms to refrain from church attendance. We have a duty of care for everyone attending, especially those who are elderly or have weakened immune systems.
- ▶ We have placed **notices** regarding good hygiene in the toilet and kitchen areas; common sense dictates no handshakes or unnecessary contact. **Please wash your hands** on arrival and before refreshments; thanks.
- ▶ **If you miss church**, the sermon is posted every Sunday online at our website at **www.Brooklands Church.uk/talks/** for PC or Mobile device.
- ▶ Our **Mothers' Day service** is next Sunday with Rev Kat Wood from Ashton. This will be **an all-age family service**.
